

## Social Work in Waterloo Region

The Working Centre

### NEW PROGRAM

Description of Service	<p>We invite Internationally Educated Social Workers and other professionals who have an interest in Social Work to attend an information session to learn more about a project aimed to help New Canadians enter the Social Work field in Canada.</p> <p>The project is designed to suit people employed in a survival job. Combines classroom learning, unpaid work placement, computer training and individualized support.</p> <p>Project partners include: Wilfrid Laurier Faculty of Social Work, Extend-A-Family, Waterloo Region Immigrant Employment Network, and Centre for Community Based Research and The Working Centre.</p>
Who is service designed for? Who is eligible?	Internationally Educated Social Workers and those from related fields.
How can this service be accessed?	Contact The Working Centre. Information Sessions are being offered regularly.
