

Reproductive Health-Growing Healthy two-gether, multicultural prenatal health fair

Region of Waterloo Public Health

NEW Program

Description of Service	Region of Waterloo Public Health - Reproductive Health offers 5 programs across the region for pregnant women who may be at risk in their pregnancies due to lack of food, recent immigration to Canada and their social environments. We will also offer our first multicultural prenatal health fair on September 29 th , 2008 in partnership with KPL to meet the needs of the recent immigrant population.
Who is service designed for? Who is eligible?	<p>Growing Healthy Two-gether Program is designed for any woman throughout our region who may be at risk in their pregnancy due to lack of income, lack of access to healthy food, their social environment and/or are new immigrants.</p> <p>The multicultural prenatal health fair will meet the needs of pregnant women in Kitchener Waterloo who are new immigrants. The fair will make them aware of issues that help build a healthy baby and services to assist them throughout the region.</p>
How can this service be accessed?	<p>To be eligible for the Growing Healthy Two-gether Program women can call our reproductive health line at: 519-883-2267 and she will be asked a few questions to determine if she will benefit from our program. New immigrants can also show up at one of our 5 programs and they will be asked some questions at the program</p> <p>Anyone can attend the multicultural prenatal health fair . There is no registration necessary.</p>
